

GlobalSearch

Welcome to Square 9's GlobalSearch Product Documentation. Here you will find all administrator and end user documentation for GlobalSearch.

The current GlobalSearch version is 4.5. GlobalSearch 4.5 is a comprehensive product update, focused on bringing desktop functionality and performance to the GlobalSearch web client. [Click here to see What's New](#) or use the Search box below to quickly find details on the topics you need help with.

Looking for other documentation?

If you are looking for documentation for other products, choose from the links below to access all available information.

The Software Support Knowledgebase is now available for self help and troubleshooting. The knowledgebase contains support information for all Square 9 products. [Click here to access the knowledgebase.](#)
